4. (Internal Use Only - JGO) Talked to Dr. John Brady, House Foreign Affairs Committee staff, concerning the Jack Anderson column this morning. See Memorandum for the Record.

6. (Internal Use Only - JMM) [REDACTED] of OCI, and I met informally with Chairmen Benjamin Rosenthal, of the Subcommittee on Europe, and Lee Hamilton, of the Subcommittee on Near East and South Asia, of House Foreign Affairs Committee, together with minority member Peter Frelinghuysen, and staff consultants Cliff Hackett and Mike Van Dusen for an off-the-record discussion of the Greek situation. I reviewed political events during the '60's culminating in the Colonels' coup and the King's abortive counter coup, while [REDACTED] summarized subsequent developments and spoke of future prospects. I took advantage of the occasion to refute allegations of Agency complicity in the coup of April 1967 and Agency support for the present regime. The Committee members were complimentary and Chairman Rosenthal in particular, who had previously expressed skepticism about the Agency role, remarked that he thought the briefing was a very fair and informative analysis of the present situation.

7. (Confidential - JGO) In response to his earlier question to [REDACTED] I talked to Dr. John Brady, House Foreign Affairs Committee staff, and told him that Boon Tai is the Vice President of the Shan State Progress Party which is closely identified with the militia. I also asked Brady if he would tell Representative Wolff (D., N.Y.) at the first opportunity that he had raised the question of CIA withdrawal "two days before Wolff's arrival in Tokyo and refusal to attend meetings" that it is not a fact. Our representative was present but there was no occasion for him to speak up and identify himself. Brady said he would be glad to and will advise me of the results.
